### TUESDAY NIGHT BIBLE STUDY

As women, we often are overwhelmed by the demands and circumstances of life, resulting in stress, fear, worry, impatience, fatigue, frustration, and even depression. The truth is that we were created to be overwhelmed . . . not by life but by God! When we learn to be overwhelmed by God, the fruit in our lives goes from rotten to fragrant—filling our days with peace, hope, love, and joy. In this six-week Bible study, Hayley DiMarco walks us through the story of Mary, the mother of Jesus, who knew what it was like to be overwhelmed. As we explore Mary's life—from the news that she would give birth to God's Son to the day she witnessed his tragic death on the cross—we find ourselves on a journey from overwhelming joy to overwhelming sorrow and back again, learning along the way how to be consumed with the mission of God rather than the "mission of me." Join us on Tuesdays beginning September 19 at 6:30 pm in room 110, this study is led by Kelly Lanahan.

Luke 15:7

*I tell you that in the same way there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent.*
